

# Access to Carlsbad Trails & Parks

Kyle Lancaster, Parks & Recreation Director

April 25, 2020

# Trails

- Should City Council desire to open city trails, staff recommendation for all such trails would be as follows:
  - Social distancing mandatory
  - Face covering mandatory within 6' of non-household member
  - Gatherings limited to household units
  - Social Distancing and Sanitation Protocol to be posted/followed
  - Parks & Rec and Police Departments to ensure compliance

# Trails

- Should City Council desire to open city trails, staff would be able to commence the process as early as Monday, April 27
  - Staff anticipates a full day required to complete

# Parks

- Should City Council desire to open city parks, staff recommendation for all such parks would be as follows:
  - Social distancing mandatory
  - Face covering mandatory within 6' of non-household member
  - Gatherings limited to household units
  - Social Distancing and Sanitation Protocol to be posted/followed
  - Parks & Rec and Police Departments to ensure compliance

# Parks

- Staff recommendation continued:
  - Limit the opening to only passive areas of parks
    - Community centers, aquatic centers, athletic fields, sport courts, playgrounds, dog parks, skate parks, & similar areas remain closed
  - No organized team sports or activities allowed
  - Open hours modified from 8am to 10pm, to 8am to 8pm
  - Parking lots to remain closed, except for essential personnel

# Parks

- Should City Council desire to open city parks, staff would be able to commence the process as early as Friday, May 1
  - As a prerequisite, staff would submit Social Distancing and Sanitation Protocols to the County
  - Staff anticipates a full day required to complete
